

CAR-DUN-AL OBEDIENCE DOG TRAINING CLUB MEMBERSHIP REQUIREMENTS

GENERAL MEMBERSHIP REQUIREMENTS

- Applicants are eligible to apply for membership after having completed twenty (20) weeks of training within a contiguous twelve-month (12) period prior to application.
- Since Members are required to earn six work credits per year we want to be sure prospective members understand and are comfortable with what that entails, therefore applicants should volunteer for at least one club activity prior to submitting an application.
- The applicant must have two Sponsors that are Members in good standing.
- It is also important that perspective members understand how the club functions. We require that perspective members attend one General Membership meeting prior to submitting an application. Applicants must also attend the meeting they are presented for membership and voted on. They must leave the room before the voting begins. The 1st Vice-President will notify all applicants as to the results of the voting.
